Salisbury North Primary School Newsletter Term 1, Week 9 2023

*Our School Vision: Our students will be successful, confident citizens who will be resilient,
life-long learners able to determine their own futures.*

Our School Values:

Achievement

Responsibility

Teamwork

Respect

Honesty

Dear Parents and Carers,

It's hard to believe that we're at the end of Week 9 already. This term has absolutely flown! As we approach the Easter break and end of the term, I wanted to take a moment to update you on some important happenings across the school.

Across this term, our dedicated staff have focused their professional learning on reading, and how teachers can support students with disabilities and additional learning needs. We believe that every child deserves the opportunity to learn and grow, and we are committed to providing the best possible education for all of our students. We look forward to seeing the positive impact it has on our students' learning.

Please note that Term 2's Pupil Free

Day, originally scheduled for Friday 9th of June, has been moved to Tuesday 13th of June which is the day after the Queen's Birthday public holiday. Thank you for your flexibility and understanding on this.

We are also updating our mobile phone policy to ensure that it aligns with the department's new "Off and Away Policy". Salisbury North's policy is currently in draft form, and staff and governing council will be reviewing it over the coming weeks before sharing it with the wider community. We appreciate your support in helping us create a safe and learning centred learning environment for all our students.

We have noticed an increase in instances of parents and students crossing Bagster Road before and after school outside of the designated crossing. This is putting our young students at risk of being seriously injured by passing traffic. We ask that parents and carers please use designated crossings when crossing the road with their children. Student safety is our top priority, and we appreciate your cooperation in this matter.

Finally, we hope that all families have a safe and restful break over the upcoming two-week April holidays and return to school feeling refreshed and ready to learn. Please note that the school front office will be open in the first week of the break, but will be closed for the second week.

Thank you for your ongoing support and involvement in our school community. We value your partnership in helping to provide the best possible education for our students.

Kind Regards

Stefan Parente
Principal

Assembly Awards: Congratulations to all of our Assembly Award winners from week 9!

Clean Up Australia Day

On Friday the 10th of March (Week 6) our whole school worked together to clean up the school and local community for Clean up Australia Day! What a great job our students did cleaning up, fixing up and conserving our environment. Did you know that:

Australians used **3.5 million tonnes of plastics** in 2018 to 2019¹ of which around **60% was imported**²

One million tonnes of Australia's annual plastic consumption is single-use plastic⁵

Australia is missing out on an estimated **\$419 million of economic value each year** by not recovering all PET and HDPE³

Australia uses around **70 billion pieces** of soft 'scrunchable' plastics, such as food wrappers, each year⁷

84% of plastic used is sent to landfill and **only 13% is recycled**⁴

By 2050, it is estimated that **plastic in the oceans will outweigh fish**⁸

In Australia approximately **130,000 tonnes** of plastic leaks into the marine environment each year⁸

Our use of plastic is increasing, and across the world **will double** by 2040⁹
