Governing Council  
Meeting 5:45-7pm

Week 5  
Book Week

Week 6  
Friday 11th September  
Pupil Free Day

### Term 2, Week 9 Assembly Award Recipients

### A Note From the Principal

Dear Parents and Carers,  
We hope this newsletter finds you well and that you are enjoying the cooler weather as we round out the first half of 2023.

We want to inform you that, as of Week 1 of Term 3, the Department's Mobile Phone and Personal Device policy will be in full effect. While this hasn't changed our local policy for collecting mobile phones all that much, it's a good opportunity to remind our students and families of our expectations. All phones, tablets, and smartwatches must be turned off and handed in at the front office every morning. Devices will be securely stored by our admin team and returned to students at the end of the day. Thank you for your support. If you'd like to read our updated Mobile Phone and Personal Device policy, it can be found on our website.

Our staff continue to focus on reading instruction as outlined in our Site Improvement Plan for 2023. We have implemented paired fluency routines using varying key strategies to support student learning and enhance oral reading fluency across the school. You could value add by continuing to read with your children at night and over the school holidays to hear how they've progressed!

Next week is NAIDOC Week and we look forward to all of the wonderful events being held across the school to celebrate Aboriginal culture. Check out the timetable on the following pages to see how you can get involved in the festivities!

A reminder to please prioritise road safety on Bagster Road and model safe ways to cross the road for our students at the beginning and end of day. Use the pedestrian-activated crossing or the designated crossing at the roundabout. Running across the road is not permitted. Thank you.

Lastly, we wish all families a happy two-week break and look forward to a productive and exciting Term 3 and 4. See you next term!

Thank you for your care and support for our students.

Warm regards,  
Stefan Parente

### **Reports**

Dear families,

This is just a friendly reminder that Semester 1 reports will be coming home next week, specifically on Thursday of Week 10. These reports provide an overview of students' progress and achievements based on what has been taught in the curriculum so far. The reports will include a general comment that focuses on the students' progress in English and Maths, as well as general capabilities. We encourage families to review these reports, as they provide a snapshot of your child's academic development and serve as a basis for further support and guidance.

Kind regards,  
The Leadership Team

### **Early Dismissal**

Friday 7th July is the last day of term. Students will be dismissed at 1:55pm.  
Term 3 commences 24th July

## A Note from our Assistant Principal

Dear families,

As we head into the last week of Term 2, we are excited to announce our NAIDOC week celebrations. NAIDOC Week is a special time when we come together to celebrate and honour the rich culture, history, and achievements of Aboriginal and Torres Strait Islander peoples, the First Nations of Australia. It stands for National Aboriginal and Islanders Day Observance Committee. During this week, we learn about their traditions, languages, art, music, and contributions to our country.

We will be kick-starting celebrations on Monday with a whole school assembly. This will be followed by a march and morning tea. We would like to invite all families to attend our march and meet the Aboriginal Education team in the Nunga room for a short morning tea.

The timetable has also been included in case you would like to attend one of our workshops offered throughout the week. If you would like to attend, please sign-in via the front office and let either Aunty Deb or your child's teacher know you are planning on coming in so we can make arrangements.

Thanks for your ongoing support throughout the term, hope to see you next week!

Kind regards,  
Paul Cafcakis  
Assistant Principal

### NAIDOC Timetable for Week 10

TIMES	MONDAY	TUESDAY	WEDNESDAY	THURSDAY
8.50 – 9.40	<b>Whole School Assembly</b> Location: Gym Adult/s in charge: Leadership Activity: Classes or representatives will present their NAIDOC week task (Famous ATSI person) Gifting of the shields			<b>Boomerang Painting</b> Location: G4 Class: G1 Adults in charge: Jen, Activity: Students will paint their own Boomerangs

NATIONALLY CONSISTENT COLLECTION OF DATA  
ON SCHOOL STUDENTS WITH DISABILITY

Dear Parents and Caregivers,

Salisbury North Primary School will be participating in the Nationally Consistent Collection of Data (NCCD). All schools in Australia are required to collect this information to inform improved support for students with disability. This data must be submitted by the 4th of August. The following information is from the NCCD website:

What is the NCCD?

The Nationally Consistent Collection of Data on School Students with Disability (NCCD) takes place every year. The NCCD is a collection of data that includes:

- The number of students receiving adjustments/support due to disability
- The level of adjustment they are receiving to access education on the same basis as other students.

Students are counted in the NCCD if they receive ongoing adjustments at school due to a diagnosed or imputed disability. The NCCD uses the broad definition of disability in the Disability Discrimination Act 1992.

What must schools do for students with disability?

All students have the right to a quality learning experience at school.

Students with disability must be able to take part in education without discrimination and on the same basis as other students. To ensure this, schools must make reasonable adjustments if needed for students with disability. Educators, students, parents, guardians, carers and others (eg health professionals) must work together to ensure that students with disability can take part in education.

The Disability Discrimination Act 1992 and the Disability Standards for Education 2005 describe schools' responsibilities.

What is a reasonable adjustment?

An adjustment is an action to help a student with disability take part in education on the same basis as other students.

Adjustments can be made across the whole school (e.g. ramps into school buildings). They can be in the classroom (e.g. adapting teaching methods). They can also be for individual student need (e.g. providing personal care support).

What information is collected?

Each year, schools collect the following information about the students included in the NCCD:

- Their year of schooling
- The level of adjustment received (Quality Differentiated Teaching Practice, Supplementary, Substantial or Extensive)
- The broad type of disability (Physical, Cognitive, Sensory, Social/Emotional)

For students who have more than one disability, the school uses professional judgement to choose one category of disability. They choose the category that most affects the student's access to education and for which adjustments are being provided.

How is students' privacy protected?

Protecting the privacy and confidentiality of all students is an essential part of the NCCD.

Data is collected within each school. Personal details, such as student names or student identifiers, are not provided to federal education authorities.

If you have any questions please feel free to speak with me.

Kind Regards,

Amber Kothe  
Inclusion and Intervention Coordinator

### **A Note from our Assistant Principal**

In Term 3 our Year 1 students will once again participate in the Phonics Screening Check with a focus on continuing the improvement demonstrated state-wide since 2018. The target for our site is that 95% of students in Year 1 will achieve the Standard of Education Achievement in Phonics as measured by the phonics screening check. Teachers have been critically reflecting upon their practice to refine their knowledge and skills in implementing a systematic, explicit approach to phonics through a whole site literacy commitment.

The Phonics Screening Check assesses students ability to recognize and understand the alphabetical code, 44 sounds and corresponding letter/diagraphs and apply phonic principles to decode unknown and pseudo words. Pseudo words are included to determine students ability to truly sound out and blend.

Our Year 1 teachers have been participating in professional learning to enhance their practice and impact on student outcomes. More information about the Phonics Screening will be provided closer to the time of assessment (Term 3).

## Starting School in 2024

Processes are underway for the intake of Receptions for 2024. If you have a child that turns 5 before the 1st of November 2024, they will be eligible to start school either in January or July. Please collect a registration of interest form from your Kindy or from the school front office and return to the front office of Salisbury North Primary School by the 12th April.

Kind regards,  
Brooke Scott  
Assistant Principal

## SAPSASA

### Girls SAPSASA Knockout Soccer.

On Tuesday of Week 9, our school participated in the SAPSASA girls' knockout soccer day. We played three games throughout the day at Virginia Primary School. We played against The Pines, Pinnacle College and Virginia Primary.

Overall, it was a very successful day, we had lots of fun and have learnt some great skills along the way.

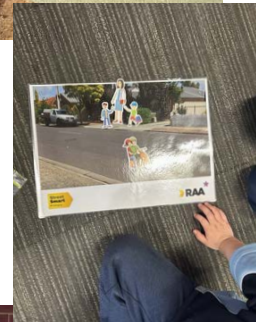

### Boys SAPSASA Knockout Soccer

On Thursday of Week 7, our school participated in the SAPSASA boys' knockout soccer day. We played three games at Virginia Primary school and were successful in two of them by winning 4-0 and 3-2. The boys had a great day and have become confident soccer players as the day progressed.

On Friday 16th June, Year 5 and 6 Girls competed in Girls SAPSASA Knockout Netball at Virginia Community Centre. The girls played two games back-to-back and played their absolute best. Unfortunately, the girls didn't win but had a great time and stayed positive throughout both games. Miss Kosonen and Miss Kylie coached the girls and loved watching the games. Looking forward to more SAPSASA events in the future.
